

Family Service Saskatoon

Family Service Saskatoon, founded in 1931, is a non-partisan, non-profit organization governed by a volunteer, community-based Board of Directors.

Our staff are fully qualified and experienced counselors and group facilitators. All receive opportunities to continually develop their skills and knowledge. Our Board of Directors is comprised of citizens dedicated to providing leadership and services to the community.

We are accountable to our clients and to the community. We serve the whole community, reaching out to people of all backgrounds and financial means. We help them to build on their strengths, make positive changes in their lives and look forward to happier futures.

Community Partnerships

We are committed to a collaborative work style. Many agency programs and projects are provided in partnership with other agencies. We support many coalitions, research collaborations and planning groups to ensure the best possible service delivery for our community.
